In With The Old

Dear Virgin Territory,

Guess what I have been up to. I have been buying old magazines of 18eighteen. The first issues I got were July '06, Nov. '06, Sept. '07, June '08, Sept. '08 and May '09. I was really happy that day. It felt like my birthday. I did not know which issue to look at first so I started with July '06. Back in Nov. '15 I was on about not having a magazine with Somaya Lynn in it. Well, I do now and I love her. She's so hot. It was nice to see new photosets of Kelsey and Alicia and Ashley too.

I was not disappointed with July '06. All the girls are hot. I liked girls I have never seen before, like Nadine. I like her pic on page 60 and also liked Violette. Next in Nov. '06 the only girls I can remember from this mag are Lil Bebe from May '07 and Alyssa from May '06. Lil Bebe is cute. I forgot about her. It's nice to see new pics of her. I like all the girls in this mag. I really like Valerie. She's the kind of girl I would go for. Now Sept. '08 I was disappointed because Emma Redd was on the cover which led me into thinking she

had a six page layout, but it was one wee pic on page 43. Very disappointing as I love Emma. I like all the girls in this issue but Stracy is the best. More girls like this please. It's just those big tits. I would love to play with them all day.

Well, 18eighteen, this letter has worn me out. I hope to see it in the mag soon, as you know I like a pic. So can I have a pic of Rayna or Anika

or a threeway of Alyssa, Ashley and Alicia? Also just want to ask will you do more three-way sets like Alyssa, Ashley and Alicia in May '06 and will you do one more slumber party DVD? Thank you. Keep up the good work.-

J.M., Falkirk, Scotland

Dear J.M.,

Here's a picture of the three-way with Alyssa, Ashley and Alicia. Glad you enjoyed all the old issues. We could possibly shoot another three-way girl set, however our priority would be threeways that include at least one male. As for the slumber party, we may use the theme again.

Megan Was Made for Doggie-style

Dear Virgin Territory,

What a covergirl photo with Megan on the cover of the Aug. '17 issue of 18eighteen. The first thing I want to do when I see that photo is get completely naked and kneel down behind her and slide her beautiful, long brown hair off to the side. Then slowly slip a finger up her butt-

hole while kissing my way up her back, then kiss her neck and nibble on her ears.

The wiggling finger up her ass and kissing should give her a powerful anal orgasm. If she needs a little more stimulation, she can rub her clitoris and tits while I finger-fuck her butt. A wiggling finger in my ass is always an awesome feeling for me, and it should be for her as well. After she cums I can lick her beautiful pussy and butthole to see what kind of candy her pussy and anus must taste like. Then I'd french kiss her a long time to give her a good taste of her delicious self.

She's got a very beautiful thick, pink, delicious-looking pusy, and she has a different type of butthole that protrudes or bulges out, which is great for sucking on or nibbling on to get the aroma or taste of her butthole in your mouth.

I really love Megan's photos on pages 41 and 41. Two of the best that have been in your mag. Especially the one on page 41. Doggie-style sex would definitely be my favorite sex with Megan with a fantastic view like that to look at. It would be a pleasure to slide my cock deep into her ass to give her some powerful anal orgasms if she wanted to keep her pussy virginity longer. I would

love to marry her and pop that fantastic pink pussy.

I just realized that Clarise and Megan are from the same city and country. It's hard to believe that two beautiful Ukrainian women like Clarise and Megan are still virgins. I think it's high time for me to move to the Ukraine.

Thank you for publishing my letter Lusting for Lezzies. It was greatly appreciated. I hope we see more lezzie photo layouts soon in 18eighteen. Do you think Clarise and Megan would like to do a lezzie layout together? I think they would look hot and sexy together. And they're from the same part of the world. Keep up the great job that you do!—K.C., Anamoose, North Dakota

Dear K.C.,

We thought you would like Megan. It is possible that Clarise and Megan could hook up. We'll see what they have to say about it. In the meantime, enjoy the bonus photo of Megan.

Ivy Has Him Wrapped In Her Vine

Dear Virgin Territory,

Just a line to let you know I've been enjoying the girls from the past couple of issues. Ivy is hot. I love tall, flat girls. Which is why I like Charity

too. I also like Catarina and Madison. Nice to see Bunnie again. Speaking of Madison, she was in the Fall 2017 issue of Newcummers. I like to see girls featured more than once. Also in that issue of Newcummers was (on page 20) a girl named Ivy (different from Ivy in 18eighteen) from Washington. She's cute, has marvelous protruding nipples and shows her pussy a lot. In some of the pictures she seems to be saying, "Come over here and fuck this pussy." Please have in her 18eighteen. In fact, please have her twice. Once showing us her slim, naked body and then again fucking some lucky guy. A guy with a regular-sized dick. (Kind of like mine. I can dream that it's me fucking her, can't I?) Also, film her so we can see her in your next Flat & Fucked video.

Oh, and thank you for the fullpage cum shots at the end of the XXX photos. Don't know what took you so long because that's what we really want to see. Seeing cum on the girl's face and on her tongue is nice. I'd like to see a full page of a girl's face, but with a gob of jizz sliding down her breast, The June '18 issue will be on-sale April 3, 2018.

Look for it on newsstands, order it from eboobstore.com or get your subscription on page 4!

Dear K.H.,

Enjoy the photo of Ivy on page six. We'll continue to do full-page cum shots and keep your recommendations in mind.

Bunnie: A Star In
The Making

Dear Virgin Territory,
Bunnie is primed to
be a star! She's an
adorable girl with a huge
sexual appetite. And she
is a natural on-camera. In
all her scenes she exudes
sexuality. She looks like

she really enjoys the D. Even her solo scenes are hot! And you should know that I'm not usually into solo scenes. I find them a bit boring. I prefer to see actual sex. However, Bunnie's solo scenes definitely made me squirt. The way she touches herself and plays with her pussy is so hot and horny.

Of her solo scenes, I especial-

ly liked the one of her in the green sweater cumming on the office desk. I felt like she was talking to me, and the things she said were so deliciously naughty. She mentions not being able to make her tiny boobs touch when she squeezes them togetherhot! At some point she asks if I'd like to see the inside of her pussy while she's on all fours, spreading her little lips open. I was drooling from both my mouth and cock at this point. I love a girl who can talk dirty without being fake or over the top about it. Then she slides her finger in and out of her slit, and I imagined that it was my cock doing the work. I wish I could be there in that office to actually fuck her and then lick her pussy juice off the desk. I can't wait to see what the future holds for this budding starlet!-G.S., via email

Dear G.S.,

It's no coincidence that her name is Bunnie. She fucks like a rabbit! The solo scene you mentioned can be found in Private School Sluts 2. We also highly recommend her XXX scenes in Lil' Pissers 2 and Jizzed Teens 4, all available for order on page 99.

Never Judge A Ginger By Her Cover Dear Virgin Territory,

She's
cute, sweet
and innocent
looking. She's also
super horny and
likes to fuck all the
time. No wonder
her name is
Bunnie!

being split into two streams by her nipple. Or a full page of her pussy with a cock shooting jizz into her pussy lips. Or, if it's *Newcummers*' Ivy, have her holding open her pussy lips so we can see a big, gooey blob of cum ooze out of her tight pussyhole. Waiting for you to make this happen.—K.H., Midvale, Utah

I love redheads, especially Alice Green. I would be amazing if you brought her back. She looks so sweet and innocent, but clearly she isn't. Especially considering that she did not one, but two anal scenes, one which was a three-way with a MILF. If I saw her on the street I'd never guess that she was the type of girl who takes it up the ass and has group sex! Now since we are talking about redheads, do you remember Amber Swift from a few years ago? She's smoking hot but opposite from Alice in that she looks slutty but didn't shoot any XXX with you! I'd

expect Amber to be in group sex getting totally covered in jizz! Anyway, I hope you have more hot redheads to show us. The last one I remember was Clarise and she was a total babe. Your redheaded girls never disappoint!-B.N., via email

Dear B.N.,

We do have a cute redhead coming up. Keep your eyes peeled for newcomer Ava!

Lippy Li

Dear Virgin Territory,

Li is so fine. I love her juicy titties and cute face. Her meaty pussy lips are perfect for sucking on. She has an exotic look that is very enticing. I

would love to kiss those pouty lips (the ones on her face) and feel them wrapped around my cock. In fact, every inch of her looks delicious. Please bring her back and this time put her in a longer layout with a cock and lots of butthole shots.

Have her wrap those tits around his shaft and give him a tit-job. Then have him cum insider her pussy. Li can spread those big labia and squeeze the cum out. That's what I want to see.-A.C., Norfolk, Virginia

Dear A.C.,

Sadly we don't have any hardcore sets of Li, but if she decides to take cock oncamera we'll make sure to capture it!

Cum Again, Kharlie

Dear Virgin Territory,

When will we see Kharlie again in the magazine? I saw a XXX set of her on your website that I haven't seen in the magazine. She is just so adorable that I want as much of her as I can get! The layout of her in the three-way was phenomenal, but it would also be nice to see her have a cock all to herself so she can really shine. There are some horny photos of her having sex in that set I mentioned. I think your readers would appreciate seeing them in print. I

What exactly is a Piped Pixie? It's a petite girl who craves big cock, and the six teens in this flick fit the bill. And not only are they petite in stature, but their pussies are small too. At only 4'11" and 95 lbs, Kiley is perfect for picking up and tossing around into whatever position you want her in. JMac has his way with her, fucking her in the air and in the piledriver position. Kiley loves every minute of the dicking and lets him cum all over her face. Cadey is a naughty girl with a seemingly bottomless throat. She sucks and fucks a guy, and she lets him record it on his phone. She's not worried that it'll end up on the internet. In fact, that idea kind of turns her on. So much so that she lets him blow his load in her tight pussy.

Lucie has the perfect combination of traits for a teen. She's tiny, flat and tight, and watching her fuck is a pleasure. The only thing big on her are those lips (the ones on her face), and she puts them to good use, sucking a cock that's the size of her wrist. She squeals as her fuck-buddy pounds her on the couch, and then lays back for a big squirt all over her flat chest. Ivy is another flattie, and although inexperienced, she has good sex intuition. Her guy slides his cock in and Ivy feels as stretched as he feels gripped. She loves to get fucked every which way. And which way does she like to finish? With a load shot in her pussy.

Teen Perfection

Dear Virgin Territory,

Thank you so much for featuring Hailey's XXX pictorial in the Dec. '17 issue. I find Hailey extremely attractive and have been looking forward to her hardcore pictures since the first day I saw her in your magazine. The guy she's with has no idea how lucky he is to get to taste her pussy and fuck her. I loved seeing her lick his nuts and then get fucked while she's standing up. She also has the most perfect pink pussy I've ever seen. And seeing that full-page photo of her taking his load on her tongue was the perfect ending to a perfect set of a perfect girl.-H.V., Fort Lauderdale, Florida

Dear H.V.,

Here's a preview of another XXX set Hailey has coming up soon. Enjoy!

Shae, do you have any wild or unusual sexual fantasies?

"I don't know how wild or unusual they are, but I do have a lot of sexual fantasies. So many that the list would turn into an essay. One would be sex on public transportation and another is sex in a concert bathroom. I also have a fetish for fetishes. Specifically though, I love guys with foot fetishes and booty worshippers. I love to have my toes sucked, my ass slapped and squeezed and my butthole rimmed. I also love to be tied up and disciplined for being a naughty girl."

didn't expect Maria to be home. It was only one in the afternoon, **▲**and a school day to boot. There she was, though, in front of the fulllength mirror, wearing nothing but panties I'd seen before. Not on Maria, though. On her mom. Yeah, I probably should've walked away. Should've left the girl trying on her mother's slutty underwear like any curious teenager. But...I couldn't. Hot is hot. And, even though Maria was the total opposite of Gina in the bod department, it didn't matter. My dick didn't care. Like I said, hot is hot. And hard is hard.

Gina's fucking built. 36Ds and hips that were made to grab while banging her from behind. An ass to die for. Lips so full Michelangelo would've sculpted them on his impression of the perfect chick to give a blow job. Big, dark nips that swell up the second she gets excitedsomething she can't hide unless she's wearing a cardboard box. Maria, on the other hand? Nothing at all like her mom. She's flat as a board, has boyish hips and is thin as a rail. Even though she's 18, she doesn't look it, to tell you the truth. But, she was about to graduate, and had her driver's license, so...

I waited for her to swap bras. Despite being underdeveloped, she managed to still look sexy trying them on. Just seeing her reach back and unsnap the one she was wearing got me breathing heavy. I wondered what her nips were like when she got excited. Would they be like Gina's? *Just a look,* I thought. I'd just get a peek and slip back out, do whatever it was Gina had asked me to stop by and do later. Shit, I couldn't even remember what that was now.

"Like watching?"

I jerked to attention. Maria was eyeing me in the mirror. I didn't think she could see me, but now? I guess she'd known I was there all along. Her hands were still on the bra snap. It was open, and hanging half-off her. I swallowed. Would she stop or keep going?

stop or keep going?
"I'm digging it," I said. "How 'bout you?"

She giggled. Gina's oversized bra dropped to the floor. Gulp.

So, Maria and her mom did have something in common...

"I better take these off," she said,

stepping out of the panties. "Don't wanna get 'em wet."

She stood there for a second, waiting. All I could do was stare. My girlfriend's 18-year-old daughter stared back at me, totally naked. And, by the looks of her swollen nips and glistening pussy, she was just as excited as I was.

"Mom texted a little while ago. Said she was going to be home late," Maria announced, toying with the panties with her toes. "You know

"If you come over here and take your dick out, we can see who sucks cock better, me or her."

what that means?"
"What?"

"Means if you come over here and take your dick out, we can see who sucks cock better, me or her."

Nope, can't deny it. I was so hard it hurt. I wanted to get off, and while I'd been fantasizing about Gina blowing me all morning, having her daughter suck me off?

I was over by the mirror and dropping my pants so fast you'd have thought the *Star Trek* dude had transported me there. Maria's hair was all I got a hand on, though, slipping through my fingers as she dropped to her knees.

"Ooh, you really are big. Now I know why mom brags to Aunt Trish about how much she loves going down on you."

I hadn't ever heard about any Aunt Trish, but didn't have time to think about it, because Maria's left hand was on my balls, her right thumb rubbing the underside of my shaft as she opened wide and let out a stream of drool, tonguing it all over my tip. Whoa—what a way to start!

I had no idea how much cocksucking experience the girl had, but was pretty sure it couldn't be a lot. Gina? Gina had been gorgeous back in high school; I'd seen pictures. She was the kind of girl who got around. She

loved sex. We'd been together for about ten months now, and with only two or three exceptions, I think we'd finished the night between the sheets every time we went out. I couldn't remember her mentioning Maria having a boyfriend, though.

If she didn't, she should have. No girl who can suck cock like she does should be dateless for long. If word got out about how talented Maria was on her knees? Guys would be lining up to get with her.

She tickled my pisshole, clamping her fist down on my balls. I thought I might fill her mouth right then. I couldn't remember the last time I'd cum prematurely. Probably back in college. Right now, though, my nuts felt like they were going to erupt, and watching Maria mouth-stroke my prick was making me feel like I was the inexperienced high schooler.

I wanted to grab the back of her head and thrust into her mouth until I blew my load. Thought about it. Looked into those big, barely-legal eyes of hers, though, and decided not to. That could wait. At least, I hoped

"What do you think?" she mumbled around my shaft. "Am I sucking it all right?"

At the moment, even though her lips weren't quite so full, I was torn. Gina was a truly accomplished cocksucker. Being in her mouth was just as good as being in her pussy. She was that good. Maria, though? She was more than holding her own. She was holding plenty of me, that's for sure, and just then, she might've had the edge.

"Can't you tell from how hard I am," I answered, giving a little thrust. Her cheek bulged. "I'd say you're doing pretty damned good."

"As good as my mom?" she pressed, lapping up a blob of precum the size of a Jell-O shot.

"It's a little early, but so far? I'd say you're tied."

Yeah, early if I was clock-watching, maybe. But I was seriously worried. I thought I might explode in her mouth any second.

"Well, if there's anything you want me to do different, just tell me."

I couldn't think of anything besides trying desperately not to cum. Then Maria opened wide and took my nuts in her mouth, which was just about all she wrote.

It isn't like Gina's never sucked my balls. I've teabagged her, she's done stuff to me porno chicks could learn from, you name it. But Maria? Her working my nutsac with that inexperienced tongue of hers was so dirty, so freaking hardcore, that if I'd shot my wad, she'd definitely have been declared the winner.

"Something wrong?" she asked, those innocent eyes locking onto mine. "You want me to stop?"

We both knew nothing was wrong, but suddenly, I did want her to stop. I could see the juice-trickle on her thighs. Sure, I wanted to cum. But I didn't want to just jizz and walk away. The girl was giving me the best blow job I'd had in years. I thought I needed to give her a little something in return.

"Now that you mention it..."

I pulled out, tilted her face up and plunged my tongue into her mouth, fingering her swollen nips. She wrapped her arms around my thighs, shaking like a leaf. Still liplocked, I pulled her to her feet.

"The bed," I told her. She didn't say anything, just bit her bottom lip and went. I caught her before she got on and bent her over.

"Oh, yeah!" she squealed, and without any foreplay, I drove my cock into her tight slot.

Maria had to bounce on her toes so I could fuck her. She was a couple of inches shorter than her mom, but her tight teen twat wrapped around my pole felt just as good as Gina's world-class cunt.

The kid mewed like a cat in heat. There was a gushy, squelching sound every time I pumped her full of dick,

Nia is a sweet, wholesome teen.

This Oklahoma girl is a soccer athlete and dancer who also loves to play the piano and the guitar. She's a psychology student, and in her free time she paints. So what's she doing here? "I wanted to do something wild!"

We get the feeling that posing in a porn mag is out of character for you.

"It is. Everyone back home would be shocked to know I did this. I'm even a little surprised that I'm doing this. But it's been a secret fantasy of mine, and I just decided to go for it. I was always kind of shy about sex, and now I'm starting to open up about it. I have all these horny feelings, and I don't want to have to ignore them. I want to act on them!"

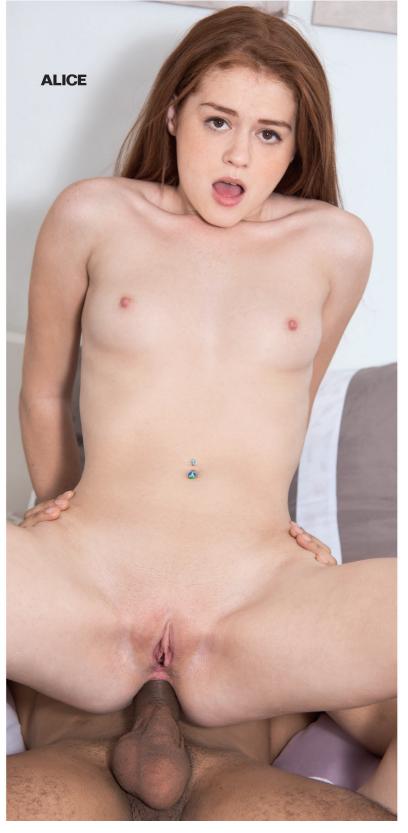

These girls do anal in all positions! Ana felt the most comfortable getting on top and riding that cock reverse cowgirl. "I know a lot of girls say anal cowgirl is too much for them, but for me it's just right. I can take it really deep that way," she said. Bella prefered to take her anal in missionary. "I like to lay back, spread my legs and take it in the butt with the guy on top." Mae is another rider who did her first anal with us. "I liked it more than I thought I would," she confessed.

ome girls do homework after school. These girls get fucked in the ass. Bianca lets a jock plow her asshole in the locker room. Alice is a nerd in a study session, but the guy is more interested in her body. She loses the dorky glasses and her inhibitions. Next thing she knows, she's sitting on him with his bone buried deep in her ass! Cat wanders into a warehouse and lets a guy tool her tushie. And Gina shows us that tiny girls can take big cocks in the ass too.

Hannah wants to practice on the pianist's penis.

Hannah has been practicing after school, just not the piano. She's been practicing her blow job and sex skills, and now she wants to show her piano instructor what she's learned. She may not be able to play a song, but she can play with his cock.

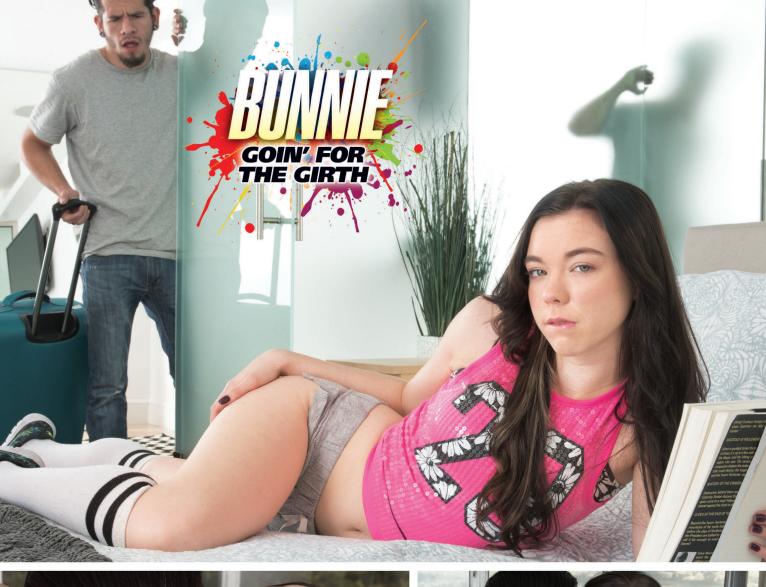

How did you like your first anal?

"I thought that I would be scared, but I was excited. And really horny. When it finally happened, whoa, it was super intense! He took his time working his way up my asshole, and then like magic my butt opened up enough for him to slide in and out. I rubbed my clit while he fucked my ass, and I came like I never came before. I'm an anal convert now!"

Bunnie loves the challenge of fitting a fat cock in her tiny holes.

Bunnie's parents are hosting a foreign exchange student at their house, and lucky for her, he has a big, fat chorizo. He doesn't speak any English, but their body language does all the talking. He laps up Bunnie's pussy, getting it nice and wet for his thick cock. She wraps her lips around his girthy pole, getting it nice and hard for her tight twat. It's so fat she can barely fit it in her mouth. She can barely fit it in her pussy, but there's nothing she loves more than a good stretch. "I don't see cocks this thick too often, so I take full advantage when I do and fuck till I'm spent!"

and the first time she came, so much pussy cream flowed out of her it felt like someone had squirted a whole bottle of lube up her box. I still don't know if it was getting fucked doggie style that revved her engines, or having a guy's dick up her instead of masturbating, or fucking her mom's boyfriend that sent her snatch into overdrive, but whatever it was, I took full advantage. I reached around, pinched those plump buds of hers. She let out an "Ahh-ahh-ahh" that tipped me off to climax number two, which nearly yanked my dick out of her. When that chick got off, it didn't make a difference how tight she was. When that girl came, she bucked like a rodeo bull.

"D-don't stop!" she pleaded, her breathing ragged. "Please! Pleasemake me pass out!"

Pass out? I'd never had a girl want that before. I didn't know what I should do. What if she did? I would stop of course. Had she passed out getting laid before? Or was getting off a couple of times so fast and so hard something she'd never experienced, so she thought she was going to? It was a tough call. But then, I thought about it. I'd never fucked a girl into unconsciousness before. I was close to cumming myself, but thought I could hold out until Maria did. So I just kept pounding away.

"You want to get off again, don't you?" I teased, giving her butt a slap. Playful, but serious enough. She threw her head back and moaned.

You sound like you've got a wild side. Is that true, Helena?

"I guess so. I like to have fun, and I'm more daring than all of my friends. For example, I flashed one of my teachers my panties in class. I even got sent to the principal's office for that! And one time I went to school without a bra, which wouldn't be such a big deal if our shirts weren't white. They tried to give me detention for that, but I fought it. There's no rule that says we have to wear a bra, so technically I wasn't even doing anything wrong."

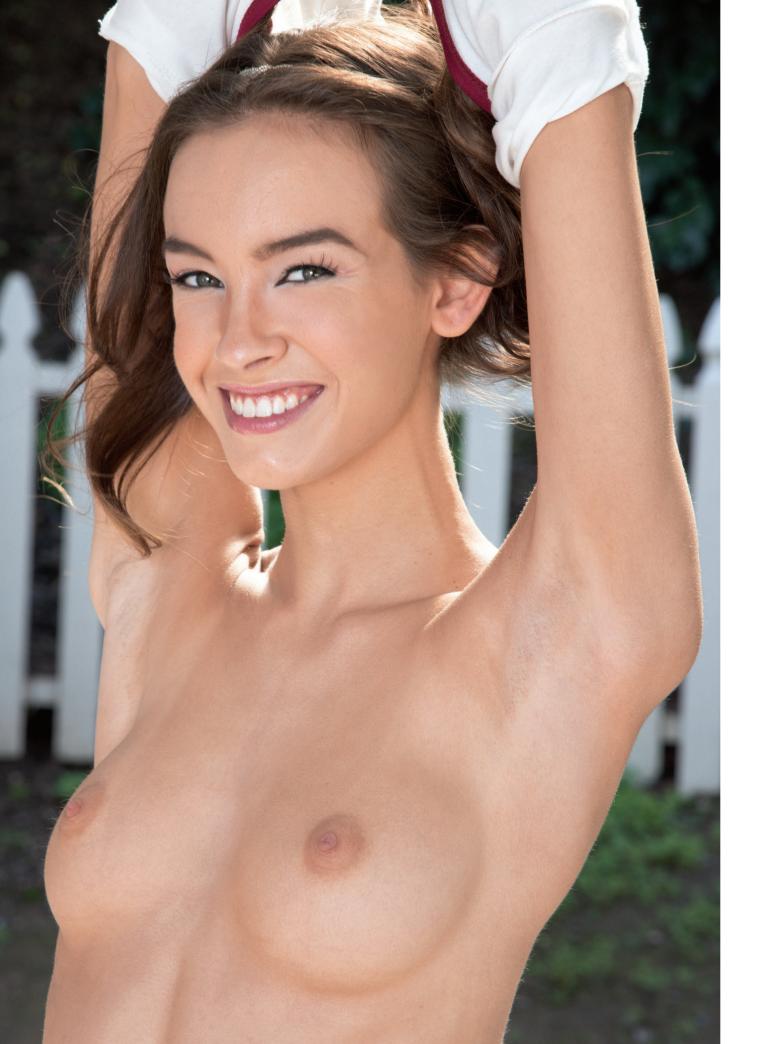

her pictures taken.

Can you guess what Charity's favorite part of herself is?

"I love my ass. I think it's the biggest thing on me." During her interview, she gave us a view of her butt and wiggled it. At that moment we agreed that her ass was our favorite part of her body too, until she showed us her pussy. Beautiful! We really got to know Charity as she spread and stroked her twat in front of us. It makes sense that her name is Charity; she's very generous with her masturbation and pussy show. It makes her very happy and horny to share her body with you.

"Make me!" she cried. "Fuck me 'til I cum!"

Now, it was sloppy. Just wet, dirty screwing. Sweat was pooled in the arch of the kid's back. The room stank like pussy. Her love oil was smeared across my thighs. It shone greasy on her ass and dripped off my junk.

"What do you want, Maria? C'mon, tell me. I want to hear you beg for it."

"Gimme that big fucking cock!" she shouted, fingers digging into the bedspread. "Stick it up me all the way!"

I did. Boy, did I. I gritted my teeth and grabbed hold of her hips tight enough to leave marks. Then I thrust hard, pressed her face into the mattress and drilled that little slut for all I was worth.

She didn't pass out, fortunately. On cum four her slit locked down on me so hard I thought I wouldn't be able to pull out. Not that I was opposed to finishing inside her. If she would've asked? I'd have done it. I think I would've done anything-and I mean anything-she wanted.

"You really need to empty your balls, don't you?" she said, giving me the eye. As disheveled as she was, she was still smoking. Hair in her face, sweat dripping down her cheek. Face flushed from her most recent cum. Gina? Gina was centerfold model sexy. Maria? Maria was back-seat-ofyour-old-man's-car-first-girlfriend sexy. Of course, she was right, too. I needed to blow my load, and soon.

Maria faced me, sitting on the edge of the bed, legs spread, jacking me

with both hands. Her pussy was still dripping. She sucked my tip for a second, then held my cock steady and, while looking up at me, spat on it. The gesture was so raunchy, so unexpected. She wasted no time, shortstroking me before taking me downdown. All the fucking way. Even Gina has a little trouble deep-throating me. She has to work her way down, and even then, sometimes has to back off, but Maria? The girl must've been born with no gag reflex, because her lips were on my balls again, only there were eight inches of cock in between she'd made disappear.

She gurgled, my cockhead filling her throat. I knew it. Now was the time. She wasn't looking up at me now. She was concentrating on finishing me off. Same thing I was focused on.

I reached out. The top of her head was bobbing faster. I didn't think I had more than a minute or two left, if that. Maria glanced up just then, and I froze. She didn't miss a beat. Mouth still full of cock, she smiled and grabbed my hands.

She placed them on the back of her head, right where I was going to put

them. Then she grabbed my ass and pulled me forward, the way Gina did when I was nailing her in the missionary position. She wanted it, wanted it the way I was dying to give it to her. Not a blowjob any more, just a nasty, flat out mouth fuck.

I hammered away at her mouth, listening to her slurping and slobbering and sucking, my full balls slapping her chin. She dragged her nails down the backs of my legs, going handsfree, her lips dancing up and down the length of my shaft.

"Oh, Maria," I groaned. "Any second, baby. You've got me so fucking close to cumming."

"Yeah? Gonna cum for me? Do it! Jizz in my mouth...I wanna taste it."

Her voice was so damned sexy. I think that's what did it as much as anything else. The way she was so horny and passionate about wanting to drink my cum.

My hands tightened, and she knew. I gushed, filling her mouth. Her cheeks swelled with the first spurt, my nuts twitching as ball butter flowed over her tongue. She worked hard trying to keep up, gulping and swallowing, semen bubbling out of one nostril while she furiously guzzled my load. She put her hands back on my shaft, playing with my balls, trying to coax every last drop of semen out of me. I was dizzy, my muscles tense, spooge seeping out of me until finally, I was spent.

I slipped out of her mouth, exhausted. Some of my love lava had found its way onto her face, running down her chin. Her smile was wicked-sexy.

"Huh?" I gasped, trying to catch my breath.

"So...who's better on her knees? Me, or my mom?"

"Wow," I said, head still spinning.
"Maria, that was one helluva blowjob..." Understatement of the year. I felt like I was dehydrated, and all the moisture I'd lost had gone down her throat. Maria pursed her lips. Good god, still smeared with cum her lips looked phenomenal.

"Okay, I'll make you a deal. You let my mom blow you tonight, and then tomorrow when she's at work? I get one more shot. Then you can decide, how's that?"

That, I thought, was fair. And, you gotta be fair when deciding something this important, don't you?

Now it's time for her to get her first taste of older cock!

"I've been having a lot of firsts lately. I gave my first blow job not too long ago. That was fun! Then I had sex for the first time shortly after that. It hurt a little bit at first, but then it felt good. Now I'm going to try sex with an older man for the first time! I've always had a thing for older men. I'm drawn to them. And I hear that they're better at pleasing women and can last longer in bed. I'd like that, since the boys my age can only last like, two minutes. And who knows... maybe if it goes well I'll even let him put it in my butt! I figured it would be better to do my first anal with someone who is experienced. I've masturbated with fingers and toys in my butt before, but I can't wait to see what it's like to cum with a real dick in my butt!"
